

DESIGN BRIEF

Company Name:

Wick Global

Company Description:

We are a company that develops new ways to travel by combining artificial intelligence with beautiful design. Our main product is a device that you can use on the go and implements new creative techniques. Our target audience is women. We want to convey a sense of elegance, while at the same time being calm.

Job Description

You must create a website that will mainly provide information. The goal is to provide a great user experience. Besides the landing page, the website will need a contact page, shop page and a blog. The landing page should have a Contact Us section. There should be a call to action to get users to view the catalogue. They would prefer a luxurious design, and would like you to use the brand color, which is purple. Take into account the client's preferences and values.
